THE GRAND KNIGHT

Brother Knights,

A number of Brother Knights and myself just got back from our “Annual Men’s Retreat” at the Mater Dolorosa Retreat Center. It was a very relaxing and spiritually rejuvenating weekend. The theme was “Going Without Knowing, Pitching Our Tent in Faith”. This reminds me of my calling to be your Grand Knight. I had my doubts, I was scared, and can I lead our Council? I took a leap of faith and accepted the challenge. I am still in this journey, I put my trust in the Lord and with your prayers that the Holy Spirit will guide me. What is your calling? Get involve, head up a committee, lead an activity. Don’t be afraid, take the leap of faith.

Lenten season is upon us, which means we will busy every Friday for our Lenten Fish Fry. We need everybody’s help. Please call our Worthy Deputy Grand Knight George Del Hierro for any help you can extend. We also need your help in selling raffle tickets for a one-week vacation to Maui Hawaii. You should have received 2 books of raffle tickets. Please try to sell all of them as this is our major fund raiser to help us in supporting all the charities that we are involved in.

Please continue fill up the “Membership/Prospect Interest Survey”. This is the only way we can address your interest on the kind of program our council should do. I will have this form available in our monthly meeting.

God Bless Us All,

Rolly Arenz

COUNCIL CHAPLAIN'S CORNER

God's Love Is Real

Today is not yesterday so don't look back on what should have been. Today is not tomorrow, so don't dread the future. Today is now, so be present, alive, hopeful and productive, we are loved by an awesome God who always has our best interest at heart.

In *Jeremiah* it talks about how He loves us with an unconditional love. "I have drawn you with loving kindness."

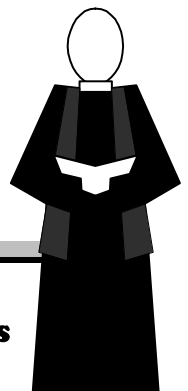

St Augustine wrote "God loves each of us as if we were the only one."

Romans 8:38 -39 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come. Neither height nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

God's love is not restricted to when we think we have performed well. He loves us even when we make mistakes and fall. Real love begins where nothing is expected in return. God's love is real.

Happy Valentine's Day

A MESSAGE FROM YOUR.....

Deputy Grand Knight & program Director

Brother Knights,

If Americans were asked to choose just one symbol to represent the month of February, I would imagine they would choose the heart in honor of Valentine's Day. A heart is a muscle of the body that keeps blood circulating. It is beautiful in its symbolism, for it represents love. In Catholic Christianity, the Sacred Heart represents Christ's unlimited love for us.

“Happy Valentine's Day”

Our Lenten “Fish Fry's” are coming up! We will be having five Fish Fry's February 16th to March 23rd with an open date on March 9th. Please mark these dates on your calendar, we'll be needing all the help we can get.

We will also be serving breakfast to all the students and faculty of St Irenaeus on Fat Tuesday February 13th, please plan on coming out and helping that morning.

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

The drawing for early dues payments at the January meeting went to Dr. Quirino Diacajo. Congratulations Doctor!

Thank you to the 102 brothers who have paid their annual dues to date. That leaves 103 delinquent. If, by the end of January, you haven't gotten your payments to me, I will send out Second Notices. If you are having difficulty paying your dues, please contact me so we can work out some arrangements for payment. My phone number is in the front of this bulletin, or you can email me with your information. If your payments have not been received by March 1, 2018, you will not be able to participate in any Knights of Columbus functions until payment has been made.

Thank you, also, to those of you who returned your Fraternal Survey Forms, as the information contained in them is very important to Supreme.

I just want to remind everyone that our Lenten Fish Fries are beginning on February 16th. I hope to see you all there, either working behind the scene or treating your family to dinner. Raffle Tickets for a Week in Maui have been mailed out. As our Worthy Grand Knight noted in his letter, this is a major part of our fundraising and full Council participation is needed.

A Message From Your Council.....Recorder & Respect Life, Justice & Peace Chairman

TO THE MOUNTAIN

From Jan. 19-21, 2018, twenty-one men from St. Irenaeus went to Mater Dolorosa Passionist Retreat Center, on the mountain at Sierra Madre. Going there for the weekend was similar to a mini-Lent. We did give up alcohol in the silent retreat but not food. As always, it was a spiritual shot in the heart.

The theme “Going Without Knowing—Pitching Our Tent In Faith” came alive! Father Mike Higgins, Retreat Director, reminded us of how Abraham, Moses, and our Fathers in Faith went on a journey to follow God in total faith, not knowing where He was going to lead them. They trusted that the One who was calling them was worthy of their trust, that He would show them the Way. We also learned that the true meaning of God “dwelling among us” as Jesus is “pitching His tent.” Those nomads lived in tents.

My favorite part of the retreat was the outdoor living Stations of the Cross, complete with magnificent sculptures. Dr. Michael Downey composed the touching reflections and prayers for the Stations. The day was clear and sunny, following rain the day before. There was a biting breeze in the air. We sang antiphons between stations as we moved through the meditation on Jesus and Mary’s suffering for us. For a few stations, we glanced at deer grazing nearby in the field. Did you know that the Church grants a Plenary Indulgence for the simple acts of offering a rosary, mass, Holy Communion, confession (within 21 days), public Stations of the Cross, and freedom from attachment from venial sin? How hard is that?

Confession is frequently offered on the retreat by the kindly, gentle priests who are on staff. We are encouraged to slow everything down, from meals to prayers, and so on. As the retreat progresses, we enter into the silence that so often eludes us in our everyday lives, even those of us who are retired. It is in the silence that the Holy Spirit mysteriously speaks to us in our own language.

Lent provides this same opportunity over 40 days to gradually slow down and reflect on the big picture of our lives (the way God sees us.) Where are we on our life’s journey from the Father to the Father? If we are not showing Jesus to our families, our friends, and strangers, who is? How will our world become the Kingdom of God if we don’t improve ourselves? Please join me on our Lenten and Life journeys!

Love and prayers,

Frank J. Faেকে, Recorder

Fetuses Found To Have Memories

They weigh less than 3 pounds, usually, and are perhaps 15 inches long. But they can remember. The unborn have memories, according to medical researchers who used sound and vibration stimulation, combined with sonography, to reveal that the human fetus displays short-term memory from at least 30 weeks gestation - or about two months before they are born. "In addition, results indicated that 34-week-old fetuses are able to store information and retrieve it four weeks later," said the research.

Scientists from the Department of Obstetrics and Gynecology at Maastricht University Medical Centre and the University Medical Centre St. Radboud, both in the Netherlands, based their findings on a study of 100 healthy pregnant women and their fetuses with the help of some gentle but precise sensory stimulation. On five occasions during the last eight weeks of their pregnancies, the women received a series of one second buzzes on their bellies with a "fetal vibroacoustic stimulator," a hand-held diagnostic device used to gauge an unborn baby's heart rate and general well-being. The baby's responses - primarily eye, mouth and body movements - were closely monitored over the weeks with ultrasound imaging to gauge "fetal learning" patterns. The researchers found that the babies acclimated themselves to the sounds and vibrations to the point that they no longer bothered to respond - a process known as "habituation." "The stimulus is then accepted as 'safe' " by the babies, the study said. The team also found that the tiny test subjects actually improved these skills as they grew older, with those who were 34 or 36 weeks old clearly showing that they had become familiar with the hum outside the womb. "The fetus 'remembers' the stimulus and the number of stimuli needed for the fetus to habituate is then much smaller," the study said. "It seems like every day we find out marvelous new things about the development of unborn children. We hope that this latest information helps people realize more clearly that the unborn are members of the human family with amazing capabilities and capacities like these built in from the moment of conception," said Randall K. O'Bannon, director of education and research for the National Right to Life Educational Trust Fund.

INFORMATION ON MEMBERSHIP FROM YOUR

Membership Director

Greetings gentlemen,

I am awaiting an updated degree schedule. The next local Second Degree ceremony is at Saint Columban Council Hall in Westminster on Wednesday February 14th at 7:00 p.m. The contact person is District Deputy Bill Davey who can be reached at (714) 362-5456.

There had been talks last year of a Third Degree being scheduled in the spring over at Saint Pius V in Buena Park. Once I know when the next Third Degree is scheduled I will forward that information.

The OCKC website still shows the Fourth Degree as "TBA." The location will be the Torrance Marriot Hotel but we still don't know the date.

Hopefully, by the next bulletin I will have all this information available for everyone so we can plan accordingly.
