# **THE GRAND KNIGHT**

Brother Knights'

Some last minute items, at our last business meeting we finally voted on and passed our council's budget; we can now officially pay our council bills. Also if you have not already done it, please complete and mail in your "Annual Survey of Fraternal Activity" Form to our Financial Secretary Mike Morris or turn it in at our upcoming business meeting this January 11th. The information provided from these forms will be used by our organization to show how much time we as Knights donate for charitable causes.

Last month we held our annual Christmas Party in the education building. We had such a large amount of Knights and their families attending we had to find space in the corners to put up more tables to accommodate everyone. I understand we even had some eating outside in the patio. The children that attended had a visit from Santa Clause who gave each of them a present and some candy. All of us that attended had a great time sharing a meal together, playing games and getting to know other members and families of our council. If you missed the party you should plan to attend next year as well as attending your councils other activities. You cannot only have a good time, but you get to know the other members and their families.

I want to thank all of you that helped in planning, setting up, and cleaning up for our Christmas Party. Thanks to Santa Clause, and Lloyd Duronslet for running the present swapping game. And a special thanks to the Chavez' Louie and Teresa and the Peterson's Ken and Kay for coming in at the last minute and decorating and setting up the Ed Building for the party. I am sorry if I failed to mention by name any other's that worked on the party, but I thank you also.

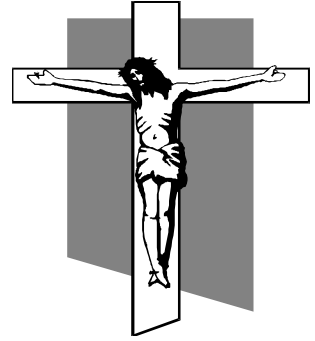

I also want to thank Carl Cholewinski and Rolly Arenz for chairing the Basketball Free-Throw contest at the school as well as all of you that helped with the event. We had some fine player's that have a good chance at taking a trophy.

I hope you all had a great Christmas and I wish you a great New Year as well.

Thank You & God Bless  
William (Bill) Serb  
Grand Knight

## **COUNCIL CHAPLAIN'S CORNER**

### **Heaven - Gods Open Door**

I read a story about the Planetarium at the University of Colorado. Seems the planetarium was in need of money so the director dreamed up a comical fundraiser. He was selling 1,000-acre lots on the planet Mars for only \$20.00. The flyer read “pink skies, 2 moons, unlimited rock gardens. Very peaceful and quiet. Your golf game will improve immensely-your drives will be six times longer.” People from all over sent in they’re money for a deed to their 1,000-acre piece of Mars.

The 1,000 acres on Mars was a gimmick to make money but God promises us the ultimate real estate and it’s free. He offers us a home in heaven. As an expression of His love God promised it to all who trusts Jesus as their Savior. It’s a real place where the Lord Himself will live with His people. There will be no more tears, pain or death and the ones who live there will rejoice forever in Gods everlasting goodness. *The city had no need of the sun or of the moon to shine in it, for the glory of God illuminated it. (Revelation 21-23)*

## PRO-LIFE NOTES .....

Dear Brother Knights,

Today we were at Family Planning Associates in Long Beach when a young lady came out and asked if we would pray for her baby. She was going to have an abortion; she wanted us to pray for her baby. We prayed for her baby and for her, but we didn't change her mind. In her heart she wanted us to change her mind. She made a decision you know she is going to regret. I don't think Family Planning Associates or Plan Parent Hood has any clue how much pain and suffering they have caused or much less care.

Family Planning Associates facilities have failed a number of health inspections and have violated a number of health codes. Practices that would never be tolerated in any other health care facility take place here. One could only guess how many women have had their health compromised and the health of there next child. We'll never know, but it's large. At least 12 women have died at FPA Clinics. This list includes a girl (Deanna Bell) who was only 13 years old. Her heart stopped beating immediately after the abortion. For some reason no effort was made to transport her to a hospital. I wonder why?

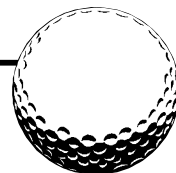

Sincerely Your  
Pro-Life Chairman

## **MEMBERSHIP DIRECTOR**

Dear Brothers,

Happy New Year to all our Brother Knights, and hope this New Year will keep you all in good health and make all resolutions come true. We are now on the last six months of the Columbian year and before we know it our golf tournament and state convention will be upon us. I hope to have our 1st Degree team ready for the Degrees that we need to do in our council. It is now required to do this by our council to qualify for a Star Council Award. Our council needs to do four 1st Degrees before the end of the Columbian year and this is where I need your help by being there and supporting the Degree. We need sideliners to be present and if you care to take a part as a Degree team member let me know, because we will need back-ups in case one team member can't make a scheduled Degree. I don't think that would be a problem because we can now read the parts instead of memorizing.

The Degrees will all be honoring Blessed John Paul II, as part of the new membership focus every Knight who recruits a new member during the first half of 2011-12 fraternal year, will receive a commemorative medallion of Blessed John Paul II featuring the popes image. As a council we have been asked to conduct a 1st Degree exemplification honoring Pope John Paul II and the candidate presented with a special membership certificate. Our council has a few members that need to take their 2nd Degree's and I have those dates in the news letter, but there are councils that do 2nd Degrees which are not on the ceremonial calendar, so let me know if you need to take your Degree.

I have mentioned this before and it's worth stating again that you as a sponsor should be at the Degrees with your candidate. It is sad when he makes his Degree and his sponsor is not there. You should also make sure he comes to the business meeting's and that he gets involved in one of the service programs. I was informed that the next 3rd Degree will be held in February, but no fixed date has been set yet. It will more than likely be held at St. Puis V parish because they stated it would held in Buena Park. Now the Chapter has mentioned that there going to try to hold more 3rd Degrees so a member does not have to wait so long. Some have asked about the 4th Degree, well it will be held in October and it is not too early to plan. You know the old saying, if you fail to plan, you plan to fail. There are many men in our parish that are not Brother Knights, so why not ask one,

Fraternally

Two of our free-throw days were cancelled in December. One due to rain the wind, but we finally were able to get everything completed. We had some really good this year. One boy made 14 out of 15 possible shots. Pretty amazing.

Our annual Christmas party was a great success. We had it in the Ed. Building but probably could have used the hall because we had such a good turnout. More than enough food, great desserts and plenty to drink. Santa showed up for the kids and did a great job, the kids were thrilled. Then we had our gift exchange, which is always a lot of fun. You never know what your going to get or who is going to take it away from you. It keeps everyone guessing. All in all everyone seemed to have a great time.

Our Past Grand Knight Jessie Torres, is the Los Alamitos hospital with stomach problems. He is in room 153B if anyone wants to go cheer him up. My son Bob is healing from cancerous ulcers. They both could use our prayers.

Adoration is on the 13<sup>th</sup> if you want to go spend some time in prayer.

I hope all Knights their ladies and families had the very best Christmas and a Happy New Year.

God Bless  
Your Recruitment Chairman  
Carl M. Cholewinski PGK

SUPREME OFFICE • COLUMBUS PLAZA • NEW HAVEN CONNECTICUT

### I Have Insurance At Work

Many jobs offer some form of group life insurance. Often, this insurance is an employee benefit provided at no charge, or for a small co-pay. Knowing that this coverage exists may convince someone that he doesn't need to discuss personally owned life insurance with an agent. That could be a mistake.

Most forms of group life insurance are limited in amount. That amount may be tied to a salary or some other benchmark, but often there is a cap. That cap may be dangerously low for your family's needs should you die. In fact, without a needs analysis (which I'll be happy to provide, free of charge), it may be completely unrelated to needs at death. In addition, the amount of group insurance offered is almost always reduced – and sometimes dramatically – when you retire.

Especially today, there is the very real possibility that you could lose your job. Or that your benefits could be reduced. In either case, you can find yourself without coverage. If your health has changed in the meantime, you can find yourself out of luck.

While group life helps, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a free, custom-tailored needs analysis, so that you'll know exactly where you stand.

Please give me a call.
